Featured Speaker

Dr. Daniel Cullum completed his DDS with distinction at the University of Alberta, Canada, and residency training at Westchester Medical Center, New York. The specialty of Oral and Maxillofacial Surgery requires four to six additional years of post-graduate hospital-based surgical, medical and anesthesia training. Dr. Cullum is a Diplomat of the American Board of Oral & Maxillofacial Surgery and is Past-Chair, Department of Surgery, at Kootenai Medical Center.

Dr. Cullum has had the opportunity to speak at the national meetings of the American Association of Oral & Maxillofacial Surgeons, Academy of Osseointegration, American Academy of Prosthodontists and Cuban Society of Maxillofacial Surgeons, as well as many state and local meetings. He has contributed to a textbook chapter on implant reconstruction and served in leadership roles at both state and local societies.

Dr. Cullum is married with three children and lives in Coeur d'Alene, Idaho. At Implant Northwest he practices Oral and Maxillofacial Surgery with emphasis on immediate and minimally invasive techniques in esthetic implant reconstruction. He has extensive experience and training in management of complex facial injuries, corrective jaw surgery, esthetic facial surgery and removal of impacted wisdom teeth.

Dr. Cullum has developed a number of innovative techniques and continues to study internationally. He also serves as director of the Implants Northwest LIVE Training Center, a continuing education institute in Coeur d'Alene.
